

**JULY 2019**

Dear Parents,

Greetings from School Of India!

'It's the action, not the fruit of the action, that's important. You have to do the right thing. It may not be in your power, may not be in your time, that there'll be any fruit. But that doesn't mean you stop doing the right thing. You may never know what results from your action. But if you do nothing, there will be no result.' Mahatma Gandhi

These words from the great leader should be an inspiration for every individual. And it should help us lead our lives in a fruitful and meaningful way. We may or may not get the desired result every time we embark on a journey of righteousness. Giving in to the weaknesses of the mind that gets anxious by the thought of failure or the thought of not achieving the desired results should not impede the action that is rightful; this thought holds more value, especially when one is working for the benefit of a larger community. A clear vision, determination and perseverance is the key to sustain in any circumstance.

**A few lines from the poem "CAN'T " by Edgar Guest that resonates the thought .....**

Can't is the worst word that's written or spoken;  
Doing more harm here than slander and lies;  
On it is many a strong spirit broken,  
And with it many a good purpose dies.  
It springs from the lips of the thoughtless each morning  
And robs us of courage we need through the day.....

Can't is the word that is foe to ambition,  
An enemy ambushed to shatter your will;  
Its prey is forever the man with a mission  
And bows but to courage and patience and skill.....  
Whatever the goal you are seeking, keep trying  
And answer this demon by saying: "I can."

Warm regards,  
Udaya Rajesh
